ST. TERESA'S MISSION STATEMENT

*As members of St. Teresa's Parish we fulfill our baptismal commitment
by being the hands and heart of Christ in our world.*

*We achieve this commitment by accepting the human dignity of all persons,
and by advocating for and serving those oppressed in our society.*

*The community of St. Teresa's finds its strength to fulfill this through participation
in the Eucharist, prayer, learning the building of relationships, and action for Justice.*

WELCOMING WEEKEND

Welcome to all Parishioners, guests and newcomers at St. Teresa's. You are always warmly welcome, but the first Saturday and Sunday of each month we make a special point of spending time to get to know one another. Join us after 10:00am Mass on Sunday for refreshments and fellowship.

"The Journey of a Lifetime" is the story of our lives as disciples of Jesus. Anyone who would like to join a group on this journey is invited to contact Sr. Maureen as soon as possible. The Rite of Christian Initiation of Adults is a process for adults to:

1. look into the Catholic Church, or
2. learn more about their church if they are already baptized Catholic, or
3. Prepare to receive Eucharist and/or Confirmation if they are Catholic and have not received these Sacraments.

Catholics, people of other faiths and people of no particular faith gather together to share their stories, ask their questions and pray about what God is asking of them. No one is required to join the church.

A group will begin meeting on Sundays after the 10am Mass later this month. All are welcome.

WHY WE *DARE* TO SAY THE LORD'S PRAYER

The words which introduce the Lord's Prayer in the new English edition of the Roman Missal may sound dramatic:

At the Savior's command and formed by divine teaching we dare to say:

Why do we "dare" to speak these words that are so familiar to us since childhood?

This invitation to prayer reminds us that it was Jesus who *dared* to call the Father "Abba" – a familiar form of address in Aramaic, the English equivalent of "papa" or "daddy". Prior to Jesus, no one had ever spoken of God in such familiar terms. Nowhere in the Hebrew Scriptures did anyone address God in such language, and many of the Scribes, Pharisees, and Sadducees took great offense at Jesus' use of the term "Abba". They found Jesus' language offensive on two levels. First, they felt that speaking of God in such a familiar way was disrespectful – like addressing a person of honor (i.e., a president or a bishop) by his first name rather than his title. More importantly, however, was the deeper implication: to speak of God as "Abba" implied an intimate relationship between Jesus and God – a Father/Son relationship, to be precise – and when Jesus dared to use this term it said something about who he was in relationship to God. To refer to God as "Abba" implied that Jesus was God's (divine) Son, which for many was blasphemy.

A second reason that "dare" is appropriate is that the Our Father was the secret prayer of Christians. In the first three centuries, the Lord's Prayer was one of the *last* things taught to those who were to be baptized. This was done during Holy Week – usually on Wednesday – a few days before Baptism. The Lord's Prayer was one of the privileged "secrets" known only to those enjoying full membership in the Church.

Michael Kwiecien, O.Carm.

The new translation of the Roman Missal goes into effect on the First Sunday of Advent. This is one in a series of bulletin articles which both examine parts of the Mass and focus on elements of the new translation.

The Lord's Prayer (Our Father) has been at the center of the Christian faith from the beginning. Its place in the Communion Rite dates back to the 4th century where references to "bread" and "forgiveness" in the prayer contribute to its organic unity at this point of the Mass. It was Pope Saint Gregory the Great who placed it before the "fraction rite" (breaking of the bread). The Lord's Prayer concludes with "deliver us from evil" and is the "embolism" (from a Greek word for "insertion"), which expands upon that petition and is concluded by the doxology: "For the kingdom, the power . . ."
